**Customization for the choker-style Necklaces:** Everyone's neck is a little different. The Necklaces are designed so that the Life Jewel rests at the hollow of the throat, a length often called a "choker"; the default length works for most women but can be customized to any length. Preferred length of Necklace: \_\_\_\_\_

**Customization for the Bracelets:** The Bracelet should fit comfortably on the wrist but not jiggle around too freely. The default length works for most women but can be customized to any length. Preferred length of Bracelet: \_\_\_\_\_

\* The metal of the Heart Tag, Keychain Fob and Cross w/chain are tarnish-free, bright silver-colored metal and contain nickel.
